## Bob and Margie Engelhart

Meet Bob and Margie Engelhart! Since January 2002, they have been serving the Lord in the Ivory Coast in association with the Fundamental Baptist Church in the city of Anyama. Churches have been started from that work in six nearby towns and villages. Margie works in the deaf ministry in the Anyama church. Bob's main ministry is planting churches in the villages of Donkoi, Irfa, Akongokoi and Abbe. Ivory Coast (Cote d'Ivoire) is a mixture of numerous tribal groups that have been formed into a French-speaking republic. The country received its independence from France in 1960. Anyama is a working-class suburb of the main city of Abidjan, with about 50,000 people. The country is split between Catholics, Muslims and animists (native occult religions). In the cities, many adults have at least a grade-school education and can usually read French, but in the villages some adults speak only the native languages. Polygamy and fornication are widespread, family structures are very confused, and it is estimated that 5 percent of the population is HIV positive. (Taken from BWM web page)

## Memory Verses for March 2026

In **March** we continue our **2026** theme of Joyous Living in Christ. Our first verse for March shows that Jesus wants us to be full of joy and the best way to do that is to read, believe, and live according to the teachings of Jesus, which are found in God's Word, the Bible.

**John 15:11** - These things have I spoken unto you, that my joy might remain in you, and that your joy might be full.

Our second memory verse teaches that we should be joyful even in times of temptation. That may sound strange, but, as part of the Word of God, it is true!

**James 1:2-3** - My brethren, count it all joy when ye fall into divers temptations; 3 Knowing this, that the trying of your faith worketh patience.
