Memory Verses for April 2026

In **April of 2026**, the first Sunday is Easter Sunday, Resurrection Day! It should not be difficult for a true Christian to be joyful, to live joyfully on this day! The greatest gift ever given to anyone is to live in the presence of God for eternity, and the only way to obtain that gift is, like any other gift, to accept it. You can believe that there is a God, and that Jesus Christ was/is His only begotten Son, but if you also believe that you can or must “earn” that eternal spot in Heaven with Him, you are rejecting the sacrifice that Jesus made for you. You are rejecting His gift of salvation.

You may be so sad that Jesus died on the cross, but don't forget that He rose again three days later to prove He was God and could offer you that gift of salvation because of the sacrifice He gave on the cross. Yes, Good Friday was/is a sad day, but Easter Sunday morning should bring tremendous joy! In fact, God can bring joy after great sadness on any day, not just Easter! Our memory verses for April remind us of that truth.

Psalm 30:5b - weeping may endure for a night, but joy cometh in the morning.

1 Peter 1:3 - Blessed be the God and Father of our Lord Jesus Christ, which according to his abundant mercy hath begotten us again unto a lively hope by the resurrection of Jesus Christ from the dead,
