Micah 6:8 “He has shown you, O Man, what is good; and what does the LORD require of you but to do justly, to love mercy, and to walk humbly with your God?”

Meet the Mislans!

Jonathan, Anica, and Jason

Serving in the Philippines

The Filipino culture is one of great diversity, having been influenced over the centuries by the indigenous Malayo- Polynesian traditions, followed by the Spanish influence and rule from 1565-1898, and finally the American influence from 1898 to 1946. Malayo- Polynesians influence is evidenced in their societal culture of maintaining harmony and having a sense of honor in conduct and being very family centric, often they live in a multigenerational home. One of the most difficult things to overcome in presenting the “free” salvation of Christ is the cultural norms of “**Hiya**” and “**Utang na loob**”. A shame-honor society (hiya) and the system of mutual, internal debt (utang na loob) make personal evangelism difficult. Pray for the Mislans as they face this challenge in presenting the gospel, and that the hearts of the Filipino people will be open to the truths of scripture.

Memory Verses of the Month - February 2026

As was said about our memory verses in January, we are following the theme of “Joyful Living for Christ” in 2026. February is a month that has a theme of “love”. I believe that the core component of “joy” is “love”. In fact, love and joy are the first two items found in the list of the Fruits of the Spirit in Galatians 5:22-23. Our memory verses for **February of 2026** remind us that God loves us, and that He commands us to love others.

1 John 4:16 - And we have known and believed the love that God hath to us. God is love; and he that dwelleth in love dwelleth in God, and God in him.

John 15:12 - This is my commandment, That ye love one another, as I have loved you.

The knowledge that God loves you should bring immeasurable joy into your life. If you want to spread that joy, share that love. In fact Jesus commands us to do that. None of us can love as Jesus loves us, but that should be our goal.
