### Missionaries to Amiens, France since 2010

Amiens is in the northern region of France, often referred to as the “Little Venice of the North” for their waterways and floating gardens. Amiens has a population of approximately 137, 000 souls, with a greater number of 387,000 souls in the broader metro area around it. While Catholicism is the dominant heritage of the area, a large portion of the population identifies as non-religious or atheist. This group is followed by the second largest religion in France, Islam. Please pray for Jeremie, Damaris, Adam, Abel, and Anthony as they seek to be a light in this community to the souls around them.

### Memory Verses of the Month - January 2026

For 2026, our memory verses will follow the theme of “Joyful Living for Christ”. Perhaps the hardest times in which to Live Joyfully for Christ are the tough times. We all have them, probably more often than we would like. The problems in life could come in many different ways - financial, health, work related, family and other earthly relationships, and likely so many more. If we can’t get through these hard times, we can’t consistently have “Joyful Living for Christ”. What can we do? Our Memory Verses for January of 2026 are the first 2 verses of Psalm 121, and they answer that question.

**Psalm 121:1-2** - I will lift up mine eyes unto the hills, from whence cometh my help. **2** My help cometh from the Lord, which made heaven and earth.

If we are honest with ourselves, we will realize that the only real source of relief from times of trouble is Jesus Christ, and we need to turn to Him for help and comfort in those hard times. He made heaven and earth! Surely He will help restore joy to our life and our relationship with Him if we are willing to look to Him, trust Him, and submit to His will. If you really want to have “Joyful Living for Christ”, the only way to get it and maintain it is to trust Him to get us through the hard times.
